

WINE AND SPIRITS

Our three Pirate Buddhas, representing; Tolerance, Freedom and Respect, are a female, a transsexual and a male, showing the diversity of human sexuality. They are of different colours representing many spiritual beliefs. They are sitting at a bar, suggesting one of life's many possible journeys in our individual struggles towards peace and love. They are meditating on the White Light of Consciousness and the Buddha that each of us once was, when we were born, and could be again.

*The involuntary shuddering of Orgasm is called
SAMPUTA or JEWEL CASE.*

*No two women make love quite the same way,
so orchestrate your rhythms to the mood and colours
of her emotions.*

Poems from the Kama Sutra 200 A.D.

Illustrations of stone carvings from Khajuraho, India 1.000 A.D.
